

HSVOC Muscle Car Show SMSP 2020

Hi Members!

Congratulations for being part of the Muscle Car Show on the **NEW DATE** of **SUNDAY 11th OCTOBER 2020** at the South (Amaroo) circuit of Sydney Motorsport Park. Entry is via Gate A, off Ferrers Rd Eastern Creek.

The Special Events Team will be there to guide you into your display position. Entry is from **6.30am** and the latest you can arrive is **7.30am** as judging starts at 9.00am. (To avoid a last-minute traffic jam, please try to be in by **7.15am**)

Only Show entrants and their Family and Friends are permitted to attend the Show. Entry will be free. A condition of entry is that you must abide by the Club's Muscle Car Show Covid-19 Safety Plan (copy attached) as that is a legislated requirement for us to hold this event.

Attendees to the event must not be showing any signs of cold or flu symptoms, nor have had any contact with anyone confirmed with Covid-19 in the last 14 days.

When you arrive at Gate A, you will all need to advise Security that you are part of the HSV Owners Club Car Show. Security will have a list of Show Entrants contact tracing details. Members family and friends who are not entrants will need to provide their contact tracing details to Security. Attendees will also be asked about their Covid-19 risk as per our Covid-19 Safety Plan and have their temperature checked before being granted access to the Venue.

No General Public Spectators are allowed.

Show entrants: upon arrival, please look for Joe Garzaniti or the Special Events team of David Sultana, Frank Vivoda, Michael Benton and Anthony Borg who will have fluoro vests on and will be at the entry point where you drive in. They will direct you to your allocated display space. Please be patient as we have 60 entries to position in the morning. When judging your **entrant's choice** award please **don't** vote for your friend, as the whole idea is for you to vote for the car that appeals to you most!

Entrants Shirts must be worn on the day. A goodies bag will be given out on the morning of the show to each entrant.

When cars are being judged please leave all the car unlocked with your bonnet and boot open. Also, **please do not approach or talk to the Judges while they are judging.**

Hints for Entrants that haven't entered before: It's all about presentation and how clean your car is, even in the hard to get at places. Displaying your car with merchandise, pictures etc. is encouraged to make it a whole presentation of your vehicle on the day. Please do not leave unnecessary stuff in your Car and in your boot, Presentation is the key!

For members who have not entered: There is **free entry for you and your family and friends!** The Show is a heap of fun with a bunch of top-quality cars to check out.

As for the rain - guys just go to church and pray for no rain! However, if its pissing down rain we will postpone the show to another date - but that will be the last resort!! An email will be sent to entrants early Sunday if the show is OFF. If you don't hear anything the Show will be ON!

Important: Please advise Joe Garzaniti if you have entered and can't attend, BEFORE the day!

Let the show BEGIN and come enjoy a FUN filled day!!!!
